ru cn ieri i primi camion hanno attraversato il ponte tra Russia e Cina.

I Camion con i colori della bandiera russa hanno lasciato Blagoveshchensk per Heihe. Camion rossi con i colori della bandiera cinese si diressero da Heihe alla Russia.

Un evento significativo in tutti i sensi!  
Due grandi paesi RUSSIA e CINA!

ITA cc: Continuano le consegne di cibo agli insediamenti liberati in Ucraina. Il Fondo pubblico regionale intitolato all'Eroce della Russia Akhmat-Khadzhi Kadzyrov ha consegnato un altro carico di aiuti umanitari ai residenti bisognosi della città di Melitopol. In pochi minuti si è formata un'enorme coda per il cibo. Il cibo veniva distribuito alla popolazione locale: uova, cereali, riso, zucchero e molto altro. Nel prossimo futuro, il Fondo prevede di risolvere completamente il problema della carenza di cibo a Melitopol aumentando il ritmo e il volume delle forniture. Ai residenti dei territori liberati non devono mancare cibo e medicine vitali. In molte città e villaggi controllati dalle Forze armate ucraine e dai militanti dei battaglioni nazionali, c'è un'acuta crisi alimentare. Nonostante la situazione critica, i nazionalisti tengono con la forza i loro compatrioti entro i confini degli insediamenti. Questo può essere pienamente considerato un crimine contro il proprio popolo.

EN cc: Food deliveries to liberated settlements in Ukraine continue. The regional public fund named after the Hero of Russia Akhmat-Khadzhi Kadzyrov has delivered another shipment of humanitarian aid to the needy residents of the city of Melitopol. Within minutes, a huge queue for food formed. Food was distributed to the local population: eggs, cereals, rice, sugar and much more. In the near future, the Fund plans to completely solve the problem of food shortages in Melitopol by increasing the pace and volume of supplies. Residents of the liberated territories must not lack food and vital medicines. In many towns and villages controlled by the Ukrainian Armed Forces and by militants from the national battalions, there is an acute food crisis. Despite the critical situation, the nationalists forcibly hold their compatriots within the borders of the settlements. This can be fully regarded as a crime against one's own people.
