Screenshot 1: LinkedIn post by Maria Beat-Ponomarenko. The post contains text in Russian discussing the conflict in Ukraine and mentions 'СВО' (Special Forces Operations) and 'хохлами' (idiots).

Profile: Maria Beat-Ponomarenko, affairs analyst and author, Conference Interpreter, Business Consultant CIS.

Post Text (Russian):
This is what Ukraine is about - attention of those who say that Russians and Ukrainians are two different peoples forced to live together in the Soviet empire by the ill wished Bolshevicks. It's from Russian language Telegram #ukraine#russia#people #Ещё про украинцев.
В начале СВО хохлами был сбит наш самолёт. Экипаж благополучно катапультировался, но приземлился в тылу врага, и вдобавок их ещё и прилично подраскидало друг от друга. Кругом враги, связи нет, СПДГ сюда однозначно не прилетит, а вот хохлы наоборот уже мчат со всех сторон. Поэтому ребята побежали поискали друг-друга чуть и погнали каждый по своему пути.

Screenshot 2: Another LinkedIn post by Maria Beat-Ponomarenko with more Russian text. The text discusses the military situation in Ukraine and mentions 'сатанинский' (satanic) and 'слепой вой' (blind war).

Profile: Maria Beat-Ponomarenko, Russia affairs analyst and author, RU-EN Conference Interpreter and Business Consultant CIS.

Post Text (Russian):
И его гибель закрывает собой начальный этап военной операции на Украине, который начался столь безответственно и глупо.
Пусть эта жертва принесет окончательное отрезвление от иллюзий.
Эта война надолго. Перед нами стоит опасный и бескомпромиссный враг, которого специально вырастили на погибель России.
И это только начало.
Молчание этой ночи – наша общая эпитафия старому воину, крейсеру и погибшим его экипажа.
Вечная Слава и память!
И пусть сатанинский бесгласный, слепой вой с Украины будет лишним напоминанием, что назад дороги нет, как бы многим не хотелось.
Мы выстоим и победим.

Why don't we leave resting in peace Napoleon and Hitler, and Saddam Hussein, the ghosts of the past, and focus on today's realities? Tragedy to have nearly happened on June 25, 2023 is rooted in protracted conflict of RF Defense Minister and Wagner headman to have developed into personal feud prone to breach the national security...sadly disregarded by RF leadership till bringing the nation to the brink of civil war
