While I am terribly sorry innocent people were hurt in those retaliation bombings by Israel, I can help but feel like if keep poking a stick at it dog you must expect retaliation at some point. Russia's war on Ukraine is unprovoked, it could never be the same. Live and let live.

Killing Russians on Donetsk & Lugansk was not a provocation. US bombing of Yugoslavia or Iraq was not an evil... Such a hypocrisy 😞

So what is the difference between Belgrade 1999 and Kiev 2022? Double standards forever...

A great difference. Read the historical documents of this war, talk to different nations of the former Yugoslavia (not only to the Serbs), analyze, and you'll find the difference. And No double standards.
