Fortunately, Kiev, the lovely beautiful city, doesn't belong to this Nazi gang and will be liberated soon.

Люди, которые так часто меняют свои убеждения легко подвержены внешнему влиянию (пропаганде) и чаще всего становятся предателями. Хочется спросить. Когда восемь лет на Донбассе гибли женщины и дети от украинских обстрелов, вы не поменяли свою думку? Когда нацистским преступникам присваивали звания героев, вы не поменяли свою думку? Когда неонацистские формирования вошли в нацгвардию Украины, вы не поменяли свою думку? Когда неонацисты свободно устраивают факельные шествия в городах, вы не меняли свою думку? Когда нацистские приветствия стали официальными, вы не поменяли свою думку? Как-то с любовью к людям у вас крайне однобоко.

You absolutely right, the war is terrible and we can't remain indifferent. But where have you been for the last eight years when Ukrainian army killed Ukrainian kids in Donbass? I did not hear your voice to Stop Genocid. Or you think there is right and not right Ukrainians, not everyone has the same rights? You are right, the war must be stopped. One smart Ukrainian lady said - "Russians shoot now so that no one shoots never again" I love my Ukraine and I love my Russia.

You, probably, don't know that Ukrainian troops place there artillery and missile launchers in a civilian neighborhood knowing that Russians won't strike to civilians. This is well known methods of terrorists and Nazis to use civilians as a shield. Moreover, they do not allow people to leave their homes. This is a truth.

David this fact confirmed by many other sources including Ukrainian. The fact that Azov is part of Ukrainian forces is Nazis and in the US list of terrorist groups. The fact is Bandera and Shukhevich are officially heroes of Ukrain. Just for information, Shukhevich was a head of division SS "Halichina" Were they also "Freedom Fighters"? I am sure we all have very strong immune from that kind of "freedom fighters" No matter how you cal them. Does matter what are they doing. You can google «Горловская Мадонна» И не говори что это пропаганда

You probably don't know how many innocent people were killed in Donbass since 2014. I can remind you. Over 14 thousand including 500 kids were killed by Ukrainian forces. But everybody kept silence because it is "different".

You can do some research what did your "Dido" do before 1944. You, probably, will be surprised. In 1944, at the end of WW II, thousands of Nazi collaborators escaped to Canada to avoid tribunal. So called "Holodomor" was not only in Ukraine and mostly not in Ukraine. It was in many regions of Russia and Kazakhstan. You can also find out who killed about 60 thousand Jews in Babi Yar, 40 thousand Jews in Lviv, more then 100 thousand Polish and even thousands of "wrong" Ukrainians.

Russia has no any reason to invade Ukraine. But, the U.S. and its allies are pushing Ukraine to provoke Russia in order to apply further sanctions against Russia.
