**Andrii Kuzmenko** По славянски Андрей. Тебе показать нацизм на Украине? У меня много материала. Я ежегодно был во Львове и Киеве. В 2018 году во Львове я не открывал рот.... Что бы окружающие меня люди на улице не заподозрили, что я русский....

I'm devastated by this war where ones are committing crime against humanity and others deny it. That's unforgivable and I am not capable to understand how it's possible. I've been feeling pain and compassion since the war started and many Russians around me feeling the same. ...see more

Светлана. Пожалуйста, уточните фактами утверждение "преступление против человечности" с обозначением, кто эти преступления совершает.

How sad it is to meet such a discussion in the professional community. It is gratifying that reasonable thoughts are heard not only from accounts with Slavic names. By the areas of my business activities (much wider than is presented in my profile) I have been to Kiev and Lviv every year.... In 2018, I was afraid to speak Russian in Lviv.... I will keep silent about what I saw in the hotel on an "educational" TV channel.... I will wrap up. It is an incredible pity that certain structures managed to create such a crisis in the Slavic world.... Although the influence of these structures is not only on the Slavic world...

Какой замечательный комментарий! Спасибо. Да. Во Львове бывал ежегодно. Толье в 2018 предпочел не открывать рот. Мои знакомые из Украины это прокомментировали "мы не замечали.... мы же и на украинском говорим". Пропущу различия и историю русского и украинского.

Как интересно стонкнуться тут с пропагандой! Уточню. Не 4, а 5 миллионов украинцев в россии (это я услышал от другого оппонента). Цифра абсолютно обоснована. Вот только надо посмотреть откуда такая цифра.... После анализа возникнет вопрос - для кого открывать школы на украинском??? Далее можно много слов добавить на фактах.

Украинская библиотка????? В википедии пару дней назад еще существовала адекватная информация на эту тему. Крайне забавны утверждения. Первый. Количество украинцев в Росии в отношении к количеству школ. Второй. Украинская библиотека. Допускаю, что Ваш профиль пропаганда определенных структур. Если я ошибаюсь, то обратитесь к первоисточникам и статистике.
