Der Ursprung des Ukraine Krieges. All die, die Russland als alleinigen Aggressor hinstellen, sollten sich diesen Artikel gut durchlesen. Der Krieg hat nicht erst dieses Jahr angefangen, der Krieg wurde von der US Regierung bereits schon im Jahr 2014 lanciert.

"Die Initialzündung
Mit dem Maidan-Putsch im Februar 2014 wurde in der Ukraine die prussische Janukowytch-Regierung gewaltsam abgesetzt und durch eine prowestliche ersetzt. Exklusivabdruck aus „Illegale Kriege“."

Remember how as a kid you though there is no way you would have fallen for supporting Hitler in 1939? But a vote in Germany at the time saw above 90% approval rating in favour of Hitler and even higher support in Austria.

Today many countries including Australia are supplying military equipment to Nazis in Ukraine. Ukrainian Nazis have recently been arrested in Italy, allegedly planning to blowing up Italian police stations.

The Genie is out of the bottle.

Interestingly many people didn't see it coming in 1939. Many people actually supported it. There were comments like the Nazis are only a small group, what harm can they do? Yet millions died.

Prominent non- elected attendees at G20 meetings have strong family relationships with Nazis. Global leaders fawn over these people.

Pure evil is emerging again...
and The Australian Government is supporting it using your taxpayer dollars.
