Дамы и господа! Я устала чистить ленту. Я РУССКАЯ и горжусь этим! я Я уважаю все нации и народности, проживающие на планете Земля. Однако, мне не нравится, что мою Родину смещивают с грязью. Давайте будем взаимовежливы. Всех, кто не согласен, прошу самоудалиться! Всём добра! 🌸

My wife has been refusing to evacuate Donetsk without me, but after yesterday's Ukrainian cluster bombs that killed 25+ and injured 50+ (just 200 meters from our home) in center Donetsk, I have forced her to leave with the children. They will stay in the safety of Russia until Ukraine is no longer targeting civilians. I need to stay in DPR to continue to show the world what is happening here. All will be ok. We will all miss each other very much but will be together soon.
