General info:

Brecht Jonkers is a self-acclaimed geopolitical analyst, Muslim, conservative socialist and pro-multipolarity. One can consistently find him in or around identitarian, contrarian, accelerationist, Duginist and/or national-bolshevist nests like the Belgian associations Feniks and Zannekinbond. This puts him into the sphere of influence of prolific propagandists like Kris Roman and Robert Steuckers, and in an indirect relation with (former Vlaams Belang politician and current identitarian activist with Schild En Vrienden) Dries Van Langenhove, (accelerationist, Project Thule) Tomas Boutens and Alexander Dugin. The pro-Iranian media Basira Press and Hodhod Yemen News claim to pay their authors using crowdfunding. Amplified by Dugin translator Robert Steuckers: <http://euro-synergies.hautetfort.com/apps/search/?s=%22Brecht+jonkers%22> This ruscistic person is also an antisemite. See e.g.:

 It has been a great honour to appear on RT as a speaker on the CrossTalk show regarding the Crocus City Hall massacre and foreign involvement in supporting the Ukrainian junta.

 The Kremlin's spokesman has declared that Russia is now in a 'state of war' due to the West's involvement in Ukraine. Does this mean Russia is changing strategy and objectives? And should we expect th

Russell "Texas" Bentley, the US-born Communist and anti-Nazi volunteer who served Donbass and Russia for the past decade in the conflict against the Banderite junta, has been confirmed martyred in combat by Sputnik News.

A true hero, an inspiration to us all.

Russian Response to NATO Expansion in Ukraine

Brecht Jonkers
 Dhu al-Qa'dah 01, 1443

Russia was left with no choice but to take strong action in Ukraine to prevent its becoming a NATO member, and to end the genocide of Russian-speaking people in the Donbass region. Moscow will not allow NATO troops on its borders, period!

Every time anyone says that Israel is our only friend in the Middle East, I can't help but think that, before Israel, we had no enemies in the Middle East.

"If homosexuality disappears, fascism will vanish"

This is the infamous line from the Soviet political thinker Maxim Gorky.

Here's how a Communist arrived at a typically "Christian" morality and why that's relevant to our current context -
