Альжан Исмагулов  
@Alzhanismagulov

Люди пишут "No War in Ukraine".  
Почему не пишут "No To Nazism in Ukraine"?  
Ведь если бы не нацизм, то и войны бы не было. И Крым, и Луганск, и Донецк были бы.  
Или нацизм в Украине их устраивает, а война против него нет?

Придется потерпеть. Ведь это с вашего молчаливого согласия Украина стала оплотом фашизма.

I wonder what so enraged the friends of Ukraine in this pretty picture of the Bandar-logs? A murderer as a murderer. So is the entire "collective west" that supplies arms to the Nazis.

Интересно, а что так возмутило друзей украины в этой прелестной картинке бандерлогов? Убийца как убийца. Как и весь "коллективный запад", поставляющий вооружение нацистам.
