This is Belgrade, spring 1999. Where were all these current coverage scoundrels? Where were the European sanctions and fainting cries of "no war"? NATO in Yugoslavia destroyed everything and everything. It burned and bled for weeks. In 1999, the NATO bloc used ammunition containing depleted uranium in Yugoslavia - about 31 thousand cluster munitions with uranium-238 alone, as well as tank and artillery shells ... NATO did not care about everything, mostly civilians became victims of aggression. In 78 days of air strikes, 3,500 people died, including 89 children. 12.5 thousand people were injured. NATO used about 500-700 aircraft and 20 ships per day to strike ...

The United States violated the UN Charter, first in Yugoslavia, then in Iraq and Syria - so what? Where are the moans and cries of "no war" in Europe? Where is the consolidation of European countries and sanctions against the US? They are not here. Do you know why? But because THEY WERE IN YUGOSLAVIA TOGETHER WITH THE USA. Flesh of flesh. Ghouls.

Нацизм лечится только трибуналом. Если человек укроп – ничего в голове со временем не изменится, просто могут быть разные фазы обострения. Лично проверял. Прощать и надеяться что отпустит и пройдет само-собой... только провоцировать безнаказанность. Что всегда чревато. Вон – со шприцеванием доигрались уже. И никто не виноват, ага!

Только целебное публичное опиздюливание, отбивает желание у индивидов демонстрировать свою ущербность и требовать на основании этого особых прав. Либо купировать сразу либо потом страдают все.
