**Giles Raymond DeMourot** Korea, Cuba, Vietnam, Panama, Nicaragua, Chile, Afghanistan, Iraq, Yugoslavia, Libya, Syria, Ukraine, yes, my "friend" - Ukraine.

All this countries were "liberated" (or you were killing people there being sure that you are in safe) by US and its allies air forces and troopers directly or under supervision of CIA "consultants" after 1945. So, you probably should just shut up about "international law and conventions".

My kind piece of advice you here - do not fight with Russians. We're too tough for you. And we will stay for Mother Russia and our inherit right to be Russian Empire. Trust me.

This is Soviet military commander marshal Georgy Zhukov who really won the WWII against Nazis and you are trying to steal from Russia that Great victory since the Act of surrender was signed in 1945. This is historically proven fact. This is TRUE that we keep and our offspring will keep forever. We will not forget and will not forgive.

Невероятная зрада обрушилась сегодня на голову Володи Зеленского в виде разгромного материала в американском издании The American Conservative.

Уже сам заголовок "Оставь Крым в покое" в контексте драматичной фотографии сурового лица Зеленского не сулит в статье ничего хорошего.

И так оно и есть.

"Нет убедительных доказательств того, что большинство из примерно 2,4 миллиона жителей Крыма хотят быть "освобожденными" – пишет автор, а затем на удивление сносно и близко к реалиям пересказывает историю полуострова с 1783

The United States used Iraq to fight Iran, and eventually, the two countries half died fighting each other, only US was the beneficiary. Pushed Pakistan and Afghanistan to fight Russia. Afghanistan completely destroyed and Pakistan's economy has been destroyed. only the US was the beneficiary. The whole world knows the fact that the biggest beneficiary of this Ukraine war is the United States which plunged Ukraine into war. Now, the United States and Europe will continue to provide lifelong economic assistance to a wounded Ukraine. Whatever country the United States uses in his formula war, That country thinks we have become the most important country in the world, until that country is completely destroyed.
