Ted Jonas you may just dream of it. Don't choke with your hatred.

Svetlana Kovshova hatred? I'm not on the side that attacked a sovereign country without cause and is slaughtering its people - claiming they as a nation don't exist. That's hatred. What I'm about is justice - as are hundreds of millions if not billions of people around the world who condemn Russia's invasion of Ukraine.

Ted Jonas without a cause? I'd recommend you to learn a little bit of the reasons before you make your conclusions. And propaganda is a massive weapon.

That is disgusting disinformation as one expects today from right wing American sources, which take their direction from GRU coordinated media ops, Svetlana Koshova.

Когда на Донбассе убивали мирных, "весь мир" молчал. Когда стали убивать убийц, "весь мир" возмутился.

 How many people did the Figh Sector and the Azov Battalion murder, rape, traffic, pillage and enslave since 2014? I think you need to read up on why this took place, and quit listening to the propaganda of the mass media.
