According to Laisvės TV,
Turkey makes a gift to Lithuania – fully equipped combat drone Bayraktar TB2. We shall pay 1.5 million euro to arm it with best ammunition.

The rest of money – 4.4 million euro – according to the deal - will go to humanitarian, defensive or rebuilding projects for #Ukraine.

Thank you, Slovakia 🇸🇰🇸🇰

"I would like to confirm that Slovakia has provided Ukraine with the S-300 air defence system. The Ukrainian people boldly defend their sovereign country and us as well. It is our duty to help, not to sit still and ignore the loss of human life as a result of Russia's aggression"
- Eduard Heger, Prime Minister of Slovakia.
