Tonci Biblic,
„Old friend“, who already made an unqualified comment in my direction. However, Where are your friends who should visit me?
А теперь к делу, Тончи, не важно на какую чужбину тебя забросила жизнь жестянка и по каким причинам, а важно дальше нести в сердце любовь к своей родине. Оставаться быть преданным своей вере и принципам!
Бороться за правду и всё что тебе свято!
За нами правда и с нами Бог!
И когда время придёт и я встану перед богом, я буду стоять выпрямившийся и гордо с высоко поднятой головой!

Но к сожалению тебе это не понять, Тончи ...так как ты живёшь по другим принципам!

« hitting civilian infrastructure - terroristic act »
- absolutely agree !!!
That is why Ukrainian Army hitting civilians Infrastructure of Donbass since 2014 and have killed about 14.000 civilians!
We all know statements from Ukrainian government to kill all people in Donbas with nuclear weapons (Timoschenko).
So, if you have any concerns then please thank Ukrainian government for well made job !!! Sorry!

From a strategic point of view, this is the right time. This referendum will show the world whether the people in liberated regions see the Russian army as the aggressor or the liberator. Secondly, it is also a signal to the Ukrainian army to lower its fighting spirit. Folks decision!!!

John Varoli,
What I mean is that the demilitarisation and denazification of Ukraine is the right way. For 8 long years the Ukrainian nationalists have terrorised and murdered the people of Eastern Ukraine! The Western media looked the other way for 8 years and don't want recognize what crimes were committed by Ukrainian nationalists in Eastern [Ukraine.Now](#), when Russia wanted to put an end to all these crimes, but this did not fit into the Western image.

We kindly ask law enforcement agencies to consider this publication on the site as a statement about the commission by this person of deliberate acts against the security of the world, the security of mankind and international law and order, as well as other offenses.
