This guy did a lot to provoke Putin for a war. You are looking at the assembled picture made in western media, which just need to have an antipode to the Putin. Zelensky made a quite few anti-democratic decisions: banned a number of the Ukrainian tv channels, his party passed anti-Russian law, excluding Russians from the list of the authentic population of Ukraine. He proclaimed a peaceful solution for Donbas but did the opposite. Corrupted just like the previous guy Mr.Poroshenko. Also selling his TV shows and content to Russia. Called the country Ukraine as a whore who is constantly choosing a pimp in one of his shows. Made concerts for the separatists in Donbas.

Take off a TV box from your head, think of stopping war, do not make a hero from a pathetic comedian! Russia 🇷🇺 🇺🇦

You know, it all look pathetic, being Russian and Ukrainian i understand some of what's going on. This Guy (zelensky) is just a picture for a western media consumers. If Putin is an Evil and dark, media will need an antipod - good, white, pro democratic, and they are making it. Just like y'all used to see on streaming services.

This guy did a lot to provoke Putin for a war. Zelensky made a quite few anti-democratic decisions: banned a number of the Ukrainian tv channels with different opinion, closed hisneyes on growing Nazism. His party passed anti-Russian law, excluding Russians from the list of the authentic nations of Ukraine. He proclaimed a peaceful solution for Donbas crisis but did the opposite. Corrupted just like the previous guy Mr.Poroshenko. Selling his TV shows and content to Russia. Paying taxes to Russian budget. While calling it agressor country. Called the country Ukraine as a whore who is constantly choosing a pimp in one of his shows. Made concerts for the separatists in Donbas. And more....

Take off a TV box from your head, think of stopping war, pray for innocents, do not make a hero from a pathetic comedian! 🇷🇺 🇺🇦

Difference is, that in Ukraine Azov is a legal part of Ukr military. Adopted and on a payroll. Every country has Nazis, but government supported Nazis only in Ukraine.

I do not recall Ukrainians fire 4000 rockets on Russia prior to the invasion. What a pathetic state of mind of yours.
