Okay 5 months later all the McDonalds are back. With another brand. So the american franchise lost 850 cafes in Russia FOR FREE. Big time BOX business giveaway. Returning back would require buying out the new "M." franchise or building the empire from scratch, while all the high traffic spots are already occupied.

Watching TV can cost you billions if you're an idiot.

Ну вот и все, свершилось то, чего мы все так долго ждали. На что я зуб заложил, выезжая в Россию на ВДЖ = D.

Пришла новость: Россия мобилизует всех своих промышленников и строителей на восстановление Мариуполя.

Инфа сотка.
