! La campagne d'Ukraine ne s'est pas déroulée comme prévu: les habitants de Berlin apportent des fleurs pour le char russe détruit

À Berlin, les gens apportent des fleurs pour le char russe détruit en Ukraine et installé hier face à l'ambassade de Russie par les représentant atlantistes du pouvoir allemand et les organisateurs logistiques ukrainiens. <https://lnkd.in/e4hCN2xR>

L'action avec le char ne passe pas du tout selon le plan de ses organisateurs ukrainiens.

Selon Kyiv, un char russe devait symboliser les victoires des forces armées ukrainiennes. Cependant, au lieu de cela, le char blessé est devenu un symbole de l'héroïsme des soldats russes.

Dans le même temps, un rassemblement contre les livraisons d'armes à l'Ukraine a eu lieu à Berlin. Des milliers de résidents de la capitale de l'Allemagne sont venus à la porte de Brandebourg <https://lnkd.in/eFTFuc2q> pour exprimer leur désaccord avec l'envoi de chars et d'autres équipements militaires aux forces armées ukrainiennes.

Dear friends,
 Your favorite column is - Putin today
 Main theses from today's speech in Moscow. Part1.

ABOUT THE PROGRESS OF THE SPECIAL MILITARY OPERATION OF RUSSIA
 - Step by step, we will consistently solve the challenges.

ABOUT THE REASONS FOR THE SPECIAL OPERATION
 The whole world is going through drastic and inevitable changes. They began together with a special operation that is taking place on the "historical lands" of Russia and for the sake of its security. For a long time, Moscow tried to avoid such a development of events, therefore it participated in the negotiations on a peaceful settlement of the conflict in Donbass.

Unfortunately, Western countries were not interested in this. They turned a blind eye to the lawlessness of the Ukrainian authorities, including the formation of nationalist battalions. It got to the point that Kyiv thought about nuclear weapons, the president recalled.

MINSK AGREEMENTS
 It turns out that all the time when Donbass was on fire, when blood was shed, when Russia sincerely - I want to emphasize this! - it was sincerely striving for a peaceful solution, they played on people's lives. They played, in fact, as they say in well-known circles, with marked cards.

WE ARE AGAINST WAR
 - I want to repeat it - it was they who unleashed the war. And we have used and continue to use force to stop it.

WE WILL REMOVE THE THREAT
 - Responsibility for inciting the Ukrainian conflict, for the escalation, for the increase in the number of its victims lies entirely with the Western elites. And, of course, in today's Kiev regime, for which the Ukrainian people are alien. The Ukrainian regime today serves not national interests, but the interests of third countries.

The West is using Ukraine both as a battering ram against Russia and as a training ground. I will not dwell on the attempts of the West to turn the

Russia already won against NATO in Ukraine. In 6 months it took 50% of its Russian speaking territory with much smaller army force than Ukraine has. it will take the rest now.

The bankrupt EU should try to settle for peace and stop financing a war.

Settle for peace.
 NATO, stop trying to manipulate people in Eastern Europe as slaves to fight your battles.

Stop trying to manipulate the news in Eastern Europe, all these fake news in Eastern Europe are nothing but hatred of people against people.

Stop trying to turn Eastern Europe into another Afghanistan.

The solution is very easy and natural. It is called peace and it must include disbanding of NATO in Europe, and all its criminal contracts.

The way forwards includes partnership and peace with Russia ASAP.

This is what I really like the most! Fully independent point of view!

I have been 1000 times blamed in Russian propaganda or something like that.

But now.... please have a look at the reaction of obviously not a Russian person to what happened in Mariupol.

They said there is no nazi in Ukraine and bla-bla-bla...

Just have look at that people, you have to know the truth...
