And here's some disturbing news. The UK Daily Mail supports and even glorifies the killings of the civilians, named as the 'Russian collaborators' that are being hunted and killed without any due process by the Ukrainian armed forces "like pigs"... If you read history, Bandera, the Ukrainian hero, was an SS Nazi, who killed the same type of suspected 'Russian collaborators' who were fighting the NAZIs in WW2. The only difference is, the US and Britain were on the right side of history back then and what happened now? Where are your tax dollars being sent? To support the 'hunting and killing of the pigs'? What happened to humanity? [#ukrainerussiawar](#) [#russiaukrainewar](#) [#stopwar](#) [#stopwarinukraine](#) [#foreignpolicy](#) [#biden](#) [#bidenadministration](#) [#bandera](#) [#ukraine](#)

And this is how fast the newly formed European ISIS state was born. It didn't take years like it took with Taliban, no. They are doing exactly what ISIS did with civilians.. or their predecessors during WW2 as many Russians and Poles still remember. All subsidized by our taxpayers money.
