Cristian Stefan Munteanu Not only Ukrainians, all people in former USSR were tortured by red Communist terror led by Stalin. Equally! I am not defending red terror. And for few decades after WW2 the KGB was trying to do what America does right now - going around the globe and creating conflicts. I admire Reagan who put stop to it! But after Reagan and Gorbachev the story got reversed. NATO disrespects the balance and promises made. And I admire Putin who will put stop to it. And to the bubbling US GOV debt "balance sheet" !!! Only balance will bring peace in Europe!

Aleksandr Rapoport Putin, on 24 February 2022 and then persisting. There will never be an excuse for that.

Oleg Kazantsev I believe it is a war far beyond SVO. I don't believe in any propaganda. Before end of cold war, KGB was going around the globe provoking conflicts. I admire Reagan who put stop to it. Starting with Clinton it's USA and NATO provoking conflicts. Let's be realistic. If Crimea turns into NATO naval base G-d forbid, it would be a catastrophe... There will be no winner in a nuclear war

Oleg Kazantsev I agree on one thing with you - it started in 2014. Stimulus "package" from EU vs one from Russia. All money driven. It became too easy for America to print empty dollars and for EU to print empty euros. Hopefully this comes to end. And yes let's learn history. Was Khrushchev good or bad? Why he transferred Crimea under Ukrainian Soviet Socialist republic and not to Turkey? Russian army forcefully took it from Turkey some 200 years ago.

This is not what Linked In is for! Besides, some people see NATO eastward expansion as provocative.
