Blocked two times in two hours. Someone is really unhappy with the photos. Here once again.

#NoNazisInUkraine #magic

Dear all,

once you have a moment look at this photos and repeat the following (mandatory):

"I do not see any Nazis on these photos."
 "These are not Nazi tattoos. These are CGIs, professionally made by russian evil-machine propaganda."
 "These freedom fighters do not saluting Hitler. They protecting their eyes from the sun."
 "There is no NATO flag right next to the flag of the German Reich."
 "These are the truly protectors of our democratic values."
 "I'm so glad they will join us soon."

Rumor has it, these are the lines every politician has a laminated card with each time he/she/it/none visits the Ukraine.

Die letzten Jahre haben deutsche Medien davon berichtet, dass die Ukraine korrupt ist, neo-nazi Gruppen unterstützt, eigenes Land für die amerikanische Bio-Labore zur Verfügung stellt, und eigene Bevölkerung in Donbass tötet. Deutsche tun nichts!

Am 24. Februar wird über ganz Europa Amnesie Pulver verbreitet.

Plötzlich wird Ukraine zum Opfer, Herr Präsident Zelensky zum heiligen Held, Beschützer des Westens. Der Diktator Putin muss um jeden Preis gestoppt werden.

Hauptargument des Westens: er ist doch ein Jude! Er kann nicht böse sein, er kann keine Nazis in der Armee haben.
 (Nazis in der Ukraine werden seit 30 Jahren gezielt ausgezchtet. Der Präsident ist erst seit 2019 im Amt. Alles Verschwörungstheorien!)

Bundesregierung liefert schwere Waffen, lehrt die Soldaten diese zu benutzen. Nach internationalem Recht macht sich die Regierung dadurch Teil des Konflikts.

Dem Diktator Putin gefällt es nicht, immerhin ist er ein verrückter gefühlloser Monster ... und er verlangt DDR zurück, seine Atomwaffen sind scharf.

Ende ...

I believe that one key aspect of this poll is that participants are intelligent enough to recognize the limitations of western narratives about Putin. Objective facts and evidence still mean something.

Regarding my wishes for the new year, I hope that you all have a safe and happy celebration. Specifically, I wish you:

- * To prioritize your safety and that of your loved ones.
- * To set specific professional goals for 2024 as soon as possible and work towards achieving them.
- * To engage in physical activities to maintain good health and well-being.
- * To remain independent and not allow anyone to manipulate you or influence your decisions.
