Shame!
This is real face of European Union - as racketeers!
One day all of them talking about how their proud to create amazing Yacht (just because of Russian CAN order such a beautiful yacht), but next day all becomes as the thieves!
Such shame attitude to clients.
We all need to think about cooperation with companies and governments who support this theft, racketeering.
This is most shameless way how EU try to solve this problems in our world.

UPDATE

BBC News has just announced that the 58.5-metre Royal Huisman superyacht Phi has been detained in British waters. The news, which cites the UK Transport Secretary, reported that the yacht was first identified as potentially being Russian-owned on 19 March.

Вот интересно 😊

Для меня неонацист с нацистской нашивкой - это неонацист, и об этом даже не надо лишний раз говорить. Просто посмотрите. Это человек со знаком «СС», таких людей можно увидеть там повсюду и почему-то это не вызывает никаких проблем.

Здравомыслящие люди мыслят выше, глубже и обширнее, это не те студенты, блогеры, ютуберы и прочие люди, кто настолько отстал и отупели от пропаганды или не настолько умны чтобы заглянуть глубже и отфильтровать информацию. Есть люди которые разбираются в самом корне, понимают, кто за всем стоит и способны оценить ситуацию в полном объеме. Выводы делайте сами!
