Ребят почитайте какую с... устроили европейцы касемо вхождения Украины в ЕС... Не хотят ребята 😂😂😂

Кажется не все готовы ... но больше всего как обычно радуются поляки , литовцы и латыши... уровень агрессии от них зашкаливает. Надо было их оставить немцам... зачем мой дед боролся с лесной братвой ...эхххх

"Dear Volodymyr, my message today is clear: Ukraine belongs in the European family. We have heard your request, loud and clear. And today, we are here to give you a first, positive answer. In this envelope, dear Volodymyr, there is an important step towards EU membership. This questionnaire is the basis for our discussion in the coming months. This is where your path towards the European Union begins. We will be at your disposal 24 hours a day, 7 days a week to work on this common basis."

President Ursula von der Leyen in Kyiv, 8 April 2022
