83% of Russian people back Putin. Russia invaded Ukraine as it is a puppet regime run by Victoria Nuland and USA State Dept since 2014. Since this time the EU regime has been phalling the Russian speaking Donbas. It has spent 8 years preparing for war with Russia on the behalf of its American handlers. The West's plan of provoking Russia to invade massive sanctions has failed. Look at RUSI report - a 200,000 strong Russian force is destroying 700,000 mobilised Ukraine army. They are clearly winning. Base your opinions on real world not some made up war propaganda.

Посвящается всем гражданам Российской Федерации, которые: «Мне стыдно что, Я Русский»

Пролог:
Во-первых, уважаемые дамы и господа, сразу хочу акцентировать ваше внимание на то, что эта публикация временная и я ее уберу, как только все закончится.
Во-вторых, хочу пояснить, что пишу эту публикацию для того, чтобы четко обозначить свою позицию, так как получаю большое количество сообщений и комментариев от разных людей.

Я Русский!
Я горжусь страной, в которой я живу, я горжусь людьми, которые меня окружают – это Родина моя и я горд быть частью этого!
Я патриот! Я во многом не согласен с решениями, которые принимает мое государство, но я, безусловно, верю в тот путь, которым идет страна, в которой я живу, и я сделаю все, что в моих силах, чтобы укрепить ее государственность.
Я уважаю вооруженные силы страны, в которой я живу. Профессиональная армия, готовая ценой своей жизни защитить мирное небо над головой.
Я против войны! Война, это крайняя мера, но, если страна так решила, значит это было единственным правильным решением, и не мне давать оценку таким решением.
Я против гибели людей! Война, это дело военных, и уж если взялись воевать, так воейте с армией, а не прятаться за спинами мирных людей, которых вы должны защищать.
Я за Мир! Любая война заканчивается миром, так зачем затягивать принятие решения, принятие неизбежно. Войну можно остановить за один день.

Russia/President Putin clearly now understand who their "true" western and eastern allies are. Russia/President Putin will continue peacefully prospering as their borders remain strongly protected and neighbouring countries remain peaceful with no threats against Russia/Russian people.
<https://lnkd.in/g/4ZNDM6>

Russia in Ukraine will be for the benefit of the people of Ukraine who should "now" have enough sense intelligence and true peaceful values of being more respectful towards the Russians living in Ukraine knowing/fully understanding what their present Ukrainian regime, led by a little comedian and his crowd of fools, has inflicted on their own people/russian civilians living in Donbas since 2014.
<https://lnkd.in/g-uMtd3y>

Time for Ukrainian civilians to stop fighting, stop joining the terrorist ukrainian neo-nazi groups, stop helping/listening to the western troublemakers in Ukraine who are encouraging them to pick up weapons to fight against russians/your neighbours and PEACEFULLY UNITE so that all the people of Ukraine can "rightfully elect" a more peaceful sane serious President to lead Ukraine peacefully forward by staying "neutral" and NOT a NATO OR EU/Western sacrificial lamb to the slaughter or any "pig in the middle" fighting against Russia for their western benefits: DEVIATING THE TRUTH DOES NOT CHANGE THE FACTS!
<https://lnkd.in/g/g55qe>

Russia will hopefully stop the West from destroying this planet with their perpetual wars and chaos and interference in other people's affairs. China and Russia together are unstoppable and Washington is hysterical and terrified about it.
<https://lnkd.in/g/2PwR0H>

Washington is bankrupt many times over so once nations no longer become scared of its intimidation and threats they will stop buying dollars then Washington will implode along with its vassal states esp it's pet poochie the UK (Broken Kingdom) British Bankrupt (in more ways than one) little pebble island!
<https://lnkd.in/g/4ZNDM6>

Westerners...NOW is the right time...to select more law abiding, sane, true peaceful politicians who will give you/your children more peaceful healthy prosperous lives in your countries without further terrorism or/and new deadlier wars in the East!

NATO's imperialistic eastward expansion is responsible for all the conflict and deaths happening in Ukraine now as they keep sending/selling weapons to Ukraine, arming civilians and sending their terrorist mercenaries to fight against Russians UKRAINE AND WEST STOP, YOU WILL NOT DEFEAT RUSSIA! NEGOTIATE SIGN A NEW PEACE DEAL WITH RUSSIA WITHOUT ANY OF YOUR NATO OR EU MEMBERSHIP IN/FOR UKRAINE!

**STOP SUPPLYING/SELLING MORE WEAPONS TO UKRAINE AND STOP YOUR WESTERN HOMEGROWN TERRORISTS FROM FIGHTING IN

We kindly ask law enforcement agencies to consider this publication on the site as a statement about the commission by this person of deliberate acts against the security of the world, the security of mankind and international law and order, as well as other offenses.
