helping cyberspace become the safest digital place in the w...  
noone committed a crime shall let go free! we absolutely ought to condemn heinous war crimes committed by both sides ever since 2014 when ukrainian military and their neo-nazi battalions turned against \*own\* civiligs in donbass calling them "terrorists" - Rape. Murder. Castration. Forced deportation. Torture. Inhuman. - just some of those on the list.
