The squeaky wheel gets the grease. Friends, just look who is running Europe now. These people were educated in the USA and work for the interests of the USA. Their task is to weaken Europe. Now Europe depends on energy supplies, right? And who is the supplier? Germany does not have the courage to recognize the explosions on the Nord Stream as a terrorist act by the United States. But you know, we Russians understood everything, maybe earlier than the rest of Europe.  
 If you want something done right, you have to do it yourself.

**Massimo Rovani** Honesty is the best policy. Why threaten Russia and expand the borders of NATO? Why was the deception with the "Minsk agreements" necessary? Now your country will not be given the right to choose. The Hegemon is leading you to hell.

Уфф, ну вроде всех сумасшедших разогнал. Неделю чистил 😅  
 Итог: минус 200 контактов.  
 Зато теперь лента строго профессиональная, никакой ненависти, **никаких самостыдящихся** красота.

Upd. Могу констатировать, что свою санитарную задачу данный пост полностью выполнил. Но комменты теперь доступны только моим контактам, банить каждого невменяемого - дело скучное и неблагодарное.

Upd2. Неожиданный эффект. После ограничения комментариев за последние сутки получил более 200 приглашений. О чем это говорит? Да о том, что может быть нас, адекватных, в LinkedIn не так много, как хотелось бы. Но всё-таки нас много.

Спасибо, что вы есть.
