Может лучше задонатим денег ВС РФ, чтобы не так позорно проигрывали и не расхуячили ядеркой всю Украину?

Maybe it's better to donate money to the RF Armed Forces so that they don't lose so shamefully and don't blow the whole Ukraine away with a nuclear weapon?

Для начала многих мобилизовали насильно и это вы должны понимать. А те кто пошли сами, пошли не за новый клочок земли, а защищать свою родину. От кого и от чего у всех своя версия, грубо говоря от НАТО, от ницизма и тд и тп. Кто-то просто за бабки пошел, таких осуждаю.

насильно? ну как насильно! в самом тухлом варианте был выбор или присесть на два года или людей убивать! все свой выбор сделали, приоритеты понятны

Смотря с какой стороны посмотреть, украинские войска точно также людей убивают. Они защищают свою землю и они правы, но у наших точно такой же взгляд на мир, только защищаемся мы типа от НАТО

To begin with, many were mobilized by force, and you must understand this. And those who went on their own did not go for a new piece of land, but to defend their homeland. From whom and from what everyone has their own version, roughly speaking from NATO, from nicism, and so on and so forth. Someone just went for money, I condemn such people.

forced? how violent! in the most rotten version there was a choice either to sit down for two years or to kill people! all made their choice, priorities are clear

Depending on which side you look at, Ukrainian troops are killing people in the same way. They defend their land and they are right, but ours have exactly the same view of the world, only we are defending ourselves from NATO

Are you not ashamed of Heroshima and Nagashiki? And the Germans for the Holocaust and World War II? So what the hell should we be?
