LinkedIn post by Bernd R. (Manufacturing Director) with 2nd degree connection. The post text includes:

- The people of Ukraine do not want war...
- The people of Ukraine want to see their children grow up...
- The people of Ukraine must not be associated with the oligarchs of Ukraine...
- The people of Ukraine want peace ...
- If you want to see President Putin as an aggressor and Selenstj as a man of honour...from which person do you expect him to end the war?
- Where are negotiations to bring peace to the people?
- What is the money of the helping nations used for?
- Is there any proof what Selenstj does with the money? what the billions are used for?
- What do your press appearances bring, Mr. Selenstj, except money and weapons?
- WHY don't you stop the war and be a man of honour... or are you on the same level as the aggressor?
- to the picture
- Is this what your goal looks like, Mr. Selenstj?

PS:

1. On the right picture the president has given the lady an expensive gift (80.000€)
2. Were historical areas of poland part of Ukraine? Wouldn't it be good to have a Polish peacekeeping force in this area?

The post includes a photo of a man shaking hands with a woman and a map of Eastern Europe with labels for POLSKA, ROSJA, WEGRY, and RUMUNIA.
