Saint Petersburg here. That's true, patriotism is increasing even in proWestern liberal part of population because we feel like betrayed - West keeps shouting from all sources: "Overthrow your government!! He's a dictator! We don't like him! Vote for another one! Take new sanctions made to stop Putin's war machine! We want to ruin your economics! We don't want you to eat at McDonald's, buy new staff in IKEA or listen your fcking russian music! How IKEA leaving Russia is supposed to stop Putin's war machine? Dunno, anyway, who cares, you're not supposed to ask questions, just overthrow him!!!

If you won't overthrow him - you're russian brainwashed bots! If you ask questions - you're brainwashed bots! Only we know the truth © The truth is that we don't like Putin!

That feels a bit annoying at start and is a major reason of patriotism increasing. Coz proWestern russians start to suspect smth like - no one cares about people, this war is made for someone to earn more money.

Dude. I got your agenda.

Here are photos of DPR before and after civil war started: <https://www.forbes.ru/sobytiya-photogallery/obshchestvo/270609-donetsk-i-lugansk-do-i-posle-voiny-fotoreportazh>. West pretended not to notice that just like you now.

More

Go ahead.

Np, Ukrainian government was killing it's own citizens and days before operations they increased drastically number of cease fire incidents (up too 100 times).

21 February : In Donetsk region, between the evenings of 18 and 20 February, the SMM recorded 2,158 ceasefire violations, including 1,100 explosions.

21 January : The SMM recorded seven ceasefire violations in Donetsk region. In the previous reporting period, it recorded one ceasefire violation in the region.

2158/7 = 300 times more. Other dates in February you can check by yourself on OSCE website. Ukraine prepared to wipe DPR region off with military force. Russia stopped that.

Your problem is that "rebels" are not humans to you, their lives doesn't matter. Russia doesn't think that. After Zelensky admitted that diplomatic way failed (Minsk Agreements) - there was no other option than open conflict between DPR and Ukrainian army. So there would be war in any case (before February Zelensky said multiple times that they accept and follow Minsk Agreements).
